

The Meadows of Sixmile Creek

2017 Rob Muranyi's Junior Golf Program

Monday Lessons Program
Tuesday Lesson w/ 9-hole Play
Wednesday Lesson w/ 9 or 18-Hole Play

The primary goal of our Junior League is to develop lifelong golfers, who will learn a deep appreciation and respect for the game of golf. Our Program will be FUN, while reinforcing positive core values. The number of committed players to the game will show the success of our program, long after they complete our program. Our Sport and Player programs include lessons, golf, lunch, two pizza parties, on course supervision, special events and prizes the last week of play. The Starter Program is a 1-hour lesson and does not include lunch.

For the Sport and Player programs, the age designation shown should not be your only consideration when selecting a day or program. You should also consider your child's skill level, family schedule, pairing with friends and family for car-pooling purposes etc. Leagues will be 8 weeks in duration and broken down into four groups A-B-C-D by age and or skill level. We will alternate the starting time for each group each week within the hour of the meeting time posted for each league. Therefore, if the league meeting time shows 8am – 9am the junior will have two meeting times each of 8am, 8:20am, 8:40am and 9am throughout the season. You can certainly drop off your child early if it benefits your family schedule. Just make sure they know to either sit quietly in the clubhouse or practice putting while waiting for their group to begin. It is also very important that your child has had a healthy breakfast.

We feel it is important that all juniors experience the golf course but depending on ability, the numbers of hole completed will vary. Our Sport and Player programs start with a one-hour lesson, broken down into three 20 minutes segments. The juniors will then be playing golf and will play, 2, 4, 9, or 18 holes depending on league program and ability, followed by lunch. This is a great time for the juniors to get to know the staff better, make some new friends and enjoy the camaraderie that our golf programs encourage.
